

## **OPEN WATER DIVER**

The adventure starts here! This course is an enjoyable and informative way of gaining your passport to the underwater world. You will gain the necessary skills and knowledge required to enable you to plan and conduct dives without the supervision of an instructor. The course consists of theory sessions, pool training and four open water dives where you will get to see firsthand, Anglesey's abundant marine life! The Open Water Diver course emphasises on building a sound foundation of diving skills. During the open water dives you will be able to develop the skills learnt in the pool, which are designed to enhance your enjoyment and understanding of the underwater environment.

Duration: 4 days

Executive Experience required: None

Equipment required: None - all equipment provided for use on the course
