

MARTIN SAMPSON**Owner & Chief Instructor of Anglesey Divers**

Martin is a professional diving instructor, instructor trainer, and powerboat instructor with top accreditations from three of the major diver training agencies in the world (PADI / BSAC / TDI & RYA*). He has 15 years full time experience of teaching divers and diving instructors, having run Instructor Training Courses and examinations for the BSAC in the UK, Saudi Arabia, Jordan, and Gozo. Martin has become one of the most experienced instructor trainers in the world, he is still a very active diver experienced in wreck diving, mixed gas and technical diving with over 3000 dives made in locations all over the world. He has operated his own dive charter boat and has intimate knowledge of the waters around Anglesey. On behalf of the RYA and the BSAC he has taught and examined on powerboat courses since 1988 and is currently an RNLI crewman/Navigator at Holyhead Lifeboat Station.

*Professional Association of Diving Instructors / British Sub Aqua Club / Technical Diving International / Royal Yachting Association.

AUBREY DIGGLE**Owner SBS Charters**

"Diggs" has been involved with the sea for virtually all of his working life. He trained as a commercial diver in 1974, has 10 years experience as a commercial fisherman and is qualified in survival at sea and fire fighting at sea. He now operates a boat charter business and runs two, twin engine rigid inflatable boats both of which are fully licensed to Marine Coastguard Agency Level 4 standard. He is an RYA Advanced Powerboat Instructor and a member of Trearddur Bay lifeboat crew serving two years as Senior Helmsman and now as a DLA. His knowledge of the waters around Anglesey is encyclopaedic.
